

Hope for the Destitute

*And the King will answer and say to them, "Assuredly, I say to you, in as much as you did it to one of the least of my brethren, you did it to me".
Matthew 25:40*

Dear Prayer Partners for Hope for the Destitute,

June 1, 2025

Greetings from Pastor Omolo (from mid-May), "We are soon starting to work on putting up the roof, windows grills, plastering, electricity and all that entails to the completion of the building. Since schools are opening now we won't be able to work on them immediately but work will resume once schools close for half term in June and long holiday in July. We'll also do some repairs on the fence and update you on reports as the work progresses."

"It is equally important to inform you that due to medical complications on my eye, I have ...decided to postpone my coming this summer. I fell sick two weeks ago, I got a serious cornea infection on the eye that impaired my vision. When I went to the eye clinic, they found that my body was rejecting the cornea therefore the cornea got damaged. They did an urgent surgery to try and repair it and now I'm on medication for healing. I visited the clinic today again, the healing process is going on well but after it cools down, they will have to do another cornea transplant. In the beginning of the week, I was sick with malaria and pneumonia that is slowing down the healing of the eye but I have another appointment next week Wednesday. The process is intensive and long and therefore it is appropriate to cancel my travels for the summer. Hopefully the new cornea will work and enable me to gain full vision again."

"Therefore, I ask for your prayers and we will update you on how things are moving along."

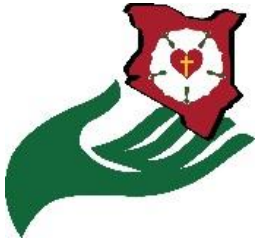

The kindergarteners enjoy outside time.

The bus has been purchased! What a joy!! There are 213 students registered for school this term. The bus is definitely needed!

The school has enough money to pay the approximately \$4000 USD 3 times a year this year, 2025, but would appreciate help with the 4 remaining payments in 2026/2027.
